Change in Leadership Announcement

The Board of the Neighbourhood Pharmacy Association of Canada (Neighbourhood Pharmacies) is pleased to announce that, effective immediately, Justin Bates will become Senior Vice-President Pharmacy and CEO of Neighbourhood Pharmacies on an interim basis. The Neighbourhood Pharmacies team will report to Justin.

This important appointment acknowledges Justin's expertise, his reputation among stakeholders and his commitment to support and promote the business of pharmacy in Canada. A search to recruit a permanent CEO will begin shortly.

In leading a re-focused and re-energized Association, we are committed to connect with our members and corporate partners in the upcoming weeks to gather their views on proper alignment and services across the country, and to ensure that our members remain the Association's top priority.

Denise Carpenter has left the Association. On behalf of the Board and Neighbourhood Pharmacies members, we thank Denise for her many contributions to the Association and wish her the best of luck in all her future endeavors.

Vivek Sood
Chair of the Board
